STRATEGY(cont.)

Key Achievements for Last Year (Student, Faculty, Program, Institutional)

Student

1. USF's fall 2020 Freshman academic profile posted an average SAT score of 1312 and a high school GPA of 4.18, which exceeds the Florida Board of Governors Preeminence benchmarks.
2. The USF Morsani College of Medicine MD program continues to grow in reputation and attract high achieving world class applicants making the 2023 class one of the most competitive in the college's history. With more than 5,500 applications for 200 slots and an average GPA of 3.76 and MCAT score of 515, placing Morsani in the 93rd percentile nationally.
3. Students at the USF St. Petersburg campus launched StePète Friends, a program to prevent loneliness among senior citizens experiencing isolation from COVID. During the early stages of the pandemic, a Manatee campus student Jessica Pérez Maqueda delivered 1,000 handmade masks to Manatee Memorial Hospital.

Faculty

1. The Chronicle of Higher Education ranked USF #1 in the nation for Top Producer of Fulbright Scholars, with nine faculty scholars for the 2019-2020 academic year.
2. In response to the increased need for COVID testing, USF faculty; Formlabs, a leading 3D printing company; Northwell Health, New York's largest health care provider; and Tampa General Hospital successfully designed, tested, and produced 3D printed nasal swab to address shortages.
3. Faculty in the College of Education on the USF St. Petersburg campus received a \$10 million grant from the Florida Department of Education to help school districts statewide address various issues, including substance use and abuse, suicide prevention, and mental health awareness.

Program

1. The Muma College of Business launched a Post-Crisis Leadership certificate program that offered faculty and business leaders expert

DEFINITIONS(cont.)

PBF6. Bachelor's Degrees within Programs of Strategic Emphasis

This metric is based on the number of baccalaureate degrees awarded within the programs designated by the Board of Governors as 'Programs of Strategic Emphasis.' A student who has multiple majors in the subset of targeted Classification of Instruction Program codes will be counted twice (i.e., double-majors are included). Source: State University Database System (SUDS).

PBF7. University Access Rate Percent of Undergraduates with a Pell Grant

This metric is based the number of undergraduates, enrolled during the fall term, who received a Pell Grant during the fall term. Students who were not eligible for Pell Grants (e.g., unclassified, non-resident aliens, post-baccalaureate students) were excluded from the denominator for this metric. Source: State University Database System (SUDS).

PBF8a. Graduate Degrees within Programs of Strategic Emphasis

This metric is based on the number of graduate degrees awarded within the programs designated by the Board of Governors as 'Programs of Strategic Emphasis.' A student who has multiple majors in the subset of targeted Classification of Instruction Program codes will be counted twice (i.e., double-majors are included). Source: State University Database System (SUDS).

PENDING BOT APPROVAL, 4/13/2021

DEFINITIONS (cont.)

PBF10.USF: 6 Year Graduation Rates (FT/PT) The first-time-in-college (FTIC) cohort is defined as undergraduates entering in fall term (or summer continuing to fall) with fewer than 12 hours earned since high school graduation. The rate is the percentage of the initial cohort that has either graduated from the same institution by the summer term of their sixth academic year. Both full-time and part-time students are used in the calculation. FTIC includes 'early admits' students who were admitted as a degree-seeking student prior to high school graduation. Source: State University Database System (SUDS).

PBF10.UWF: Percent of Baccalaureate Graduates Completing 2+ Types of High Impact Practices The percentage of graduating seniors completing two or more high-impact practices as defined by the Association of American Colleges & Universities. High-impact practices include: (1) first-year seminar & experiences, (2) common intellectual experience, (3) writing-intensive courses, (4) collaborative assignments & projects, (5) diversity/global learning, (6) ePortfolios, (7) s

DEFINITIONS (cont.)

KPI3: Time to Degree for FTICs in 120hr programs This metric is the number of years between the start date (using the student entry date) and the end date (using the last month in the term degree was granted) for a graduating class of first-time, single-major baccalaureates in 120 credit hour programs within a (Summer, Fall, Spring) year. Source: State University Database System (SUDS).

KPI4: Percent of Bachelor's Degrees Without Excess Hours

This metric is based on the percentage of baccalaureate degrees awarded within 110% of the credit hours required for a degree based on the Board of Governors Academic Program Inventory. This metric excludes the following types of student credits: accelerated mechanisms, remedial coursework, non-native credit hours that are not used toward the degree, non-native credit hours from failed, incomplete, withdrawn, or repeated courses, credit hours from internship programs, credit hours up to 10 foreign language credit hours, and credit hours earned in military science courses that are part of the Reserve Officers' Training Corps (ROTC) program. Starting in 2018-19, the calculation for this metric included a new type of statutory exclusion of up to 12 credit hours for students who graduated in four years or less. This metric does not report the number of students who paid the "Excess Hour Surcharge" (Section 1009.286, Florida Statutes). Source: State University Database System (SUDS).

KPI5: Six Year FTIC Graduation Rates [full & part-time students] The first-time-in-college (FTIC) cohort is defined as undergraduates entering in fall term (or summer continuing to fall) with fewer than 12 hours earned since high school graduation. The rate is the percentage of the initial cohort that has either graduated from the same institution by the summer term of their sixth academic year. Both full-time and part-time students are used in the calculation. FTIC includes 'early admits' students who were admitted as a degree-seeking student prior to high school graduation. Source: State University Database System (SUDS).

KPI6: FCS AA Transfer Three Year Graduation Rate [full & part-time students] This transfer cohort is defined as undergraduates entering in fall term (or summer continuing to fall) from the Florida College System with an Associate in Arts (AA) degree. The rate is the percentage of the initial cohort that has either graduated from the same institution by the summer term of their third academic year. Both full-time and part-

KPI10: Bachelor's Degrees Awarded to African American & Hispanic Students Race/Ethnicity data is self-reported by students to each university. Non-Hispanic Black and Hispanic do not include students classified as Non-Resident Alien or students with a missing race code. Degree data is based on first-major counts only; second majors are excluded. Percentage of degrees is based on the number of baccalaureate degrees awarded to non-Hispanic Black and Hispanic students divided by the total degrees awarded, excluding those awarded to non-resident aliens and unreported. Source: State University Database System (SUDS).

KPI11: Percentage of Adult (Aged 25+) Undergraduates Enrolled This metric is based on the age of the student at the time of their Fall term enrollment
