A projection of hours and estimation was made to determine which projects might be able to be completed in the upcoming year with the resources available. The work plan being presented was an allocation of hours for 14 audit professionals, which includes a contingency for any unforeseen vacancy. As such the hours will be spent between risk-based engagements (such as assurance and advisory projects on behalf of both the University and the Direct Support Organizations), required engagements (such as the PBF and Preeminence audits), investigations, follow-up, and general & administrative. All of which captures direct and indirect
