Palm Beach County Addendum

Statement of the Problem:

city of Palm Beach, the Palm Beach School District, and CareerSource, there are both state and local funding streams that may be allocated to support the project. The partners will continue to seek additional grant and recurring funds from any available resources throughout the program, potentially expanding the scope of the program to include more participants or other areas of intensive need within Palm Beach County. Regular meetings of the program partners will occur to maintain communication between the agencies. Agencies providing services to program participants will participate in regular staffing meetings to discuss the needs of clients.
