

A Solution to Halt Further Isolation of People Aging with HIV During the COVID 19 Pandemic

1. University of South Florida School of Social Work, 2. Family Medicine, University of Southern California Keck School of Medicine, 3. Northeastern University School of Nursing, 4. HIV + Aging Research Project- Palm Springs, 5. University of California, Riverside, School of Medicine

BACKGROUND

In a PCORI-funded project on HIV and aging engagement that was co-led by the study team-

**We are developing a
“Virtual Village” for
older PLWH
so they can remain
socially connected
during the COVID 19
pandemic and beyond.**
