Check before Graduation

Grades: All incomplete "I" grades must be cleared. Note: All "I", "IF", and "M" grades turn to a permanent "F" at

graduation. Inform your professors that this is your graduating semester so all of your grades are submitted

on time. Check your GPA and grades in OASIS.

Transferring Courses:

Appropriate transfer courses must be approved and posted to your record well in advance of your graduation. Taking courses at another institution during your graduating term is discouraged. If you must

take degree required courses at another institution during your graduating term, immediately after you receive your grades, electronically submit a transcript or pick up and hand-deliver a sealed transcript to Silvia Martinez in Engineering Student Services, ENC 1302. Failure to post your transfer credit in a timely

manner will result in denial of graduation.
