Welcome to the Institutional Characteristics Header survey component (IC Header). This survey was introduced to collect data that are key to reporting throughout the IPEDS data collection, and must be completed and locked before any other survey can be started.

Some IC Header questions may require nothing more than a confirmation, if nothing has changed. Please make changes as necessary, and complete items that do need a response (enrollment questions).

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk at 1-877-225-2568 and ask for help to make sure that you are reporting correctly!

7\Ub[Yg˙hc˙H\]g˙MYUf‚g˙=7˙<YUXYf˙7cadcbYbh.
- The multi-institution or multi-campus organization must now be selected from a list of organizations.

Because of the importance of the IC Header data in determining the screens you will receive in other surveys, be sure to report correctly, and to contact the IPEDS Help Desk if you have **5BM** questions about what you need to report.

The IC Header data affect other survey components in the following ways:

If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **XYhYf a]bY`bY`dfc[fU a``Yb[h\`Vm`h\Y b i a VYf`cZ`WfYX]h`cf`WcbhUWh`\c i fg**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.
