Overview

IPEDS Student Financial Aid Component Overview
Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Changes to This Year's SFA Component

There were no changes implemented for the 2018-19 data collection period.

Data Reporting Reminders

Undergraduate Student Groups

You will be asked to report information for different groups of students.

- Group 1: All undergraduate students
- Group 2: Of Group 1, full-time, first-time degree/certificate-seeking students (FTFT)
- Group 3: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- Group 4: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

COA Revisions

Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.

Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.

Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

Section 1: Part A

Part A - Establish Your Groups

Part A establishes the number of students in various groups. Note that the numbers on this screen will be carried forward to other parts of the Student Financial Aid component.

In the fields below, report the number of students in each of the following groups.

	Fall 2017	YOUR PRIOR YEAR DATA
		Fall 2016
01 Group 1 All undergraduate students	1,935	
02 Group 2 Of those in Group 1, those who are full-time, first-time degree/certificate-seeking	13	
03 Group 3 Of those in Group 2, those who have had a loan awarded by the Federal Work Study program, state/local students, or grant or scholarship aid from the federal government, state/local government, the institution, or other sources known to the institution		

05b	Other loans (including private loans)	1	1	1,460	1,460	8,423
-----	---	---	---	-------	-------	-------

 The notes below provide context for the data you've reported above and may be posted on the College Navigator website. Choose one option that best explains your data or choose "Non-applicable" if you do not wish to provide context notes. If none of the options provided explain your institution's data, then choose "Other" and write your own context notes. Notes should be written to be understood by students and parents. For example, institutions may report here other sources of private aid not included in the categories listed.

Summary

IPEDS Student Financial Aid (SFA) Survey Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period chta N s

	The values reported for the number of Group 3 students in 2017-18 and the total amount of aid they were awarded (Part D, line 02) make the average amount of aid awarded to these students outside the expected range of between 4,426 and 7,376 when compared with the prior year value. Please correct your data or explain. (Error #7319)			
Reason:	Grants and scholarships were increased from both Federal and State sources.

Screen Entry	The number entered is outside the expected range of between 18 and 32 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This increase is due to a large increase in Freshmen enrollment.			
Perform Edits				

Reason:	This variance was due to the combined effect of an increase in the number of students and average aid per student, both of which were in acceptable ranges, which when combined resulted in an increase falling just outside acceptable tolerances when subsequently recalculated.		
Screen Entry	The calculated average amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317)	Explanation	Yes
Reason:	Data entered has been reviewed and confirmed.
